

EXCEL SOLUTIONS ASIA

need for speed

NEED FOR SPEED

need for speed

This team building event is for serious adrenaline junkies of all ages! Being chased by high powered, mean machines is a heart thumping experience. A cool, calm and calculating personality is required.

Event Agenda

- Depart to the race track
- Sign in and change into race suits/helmets
- Safety & instruction briefing
- Practice laps for every driver
- Choose from Grand Prix Heats or Le Mans Team race events
- Podium presentation ceremony with prizes (laurel, champagne, trophy)

Depart to All Terrain Track ➡

Race Styles

10 laps to qualifying against the clock followed by a 20 lap race against your team
Formula One style grid line-up.

1 hour endurance

Race consists of one hour track time with team strategy for driver changes and fuel stops

need for speed
NEED FOR SPEED

You will certainly discover all the hills and hollows of the terrain on a safari in an all-terrain / off-road vehicle. Encounter tight bends, steep slopes and swampy hollows but you can be sure to clear them all on these safe guided safaris.

Event Agenda

- Safety & instruction briefing
- Practice run for each driver
- Choose a 1, 2 or 3 hour safari

For a quotation please provide us with your group size, location and date!

What is included
